

## Donating Time, Talent, Treasure

With spring just around the corner, March is a good time to think about donating time, talent and treasure...sort of an homage to "spring-cleaning." We tend to think of money when we hear the word donate. But take a look at how Merriam-Webster defines the word: *to give a gift of... A gift.* Whether it's donating outgrown clothes, hair to create a wig for someone battling cancer, hard-earned pennies to a non-profit, or volunteering at an animal shelter, each is a gift to those on the receiving end. [Phil's Gift Box](#) has activities, ideas and conversation starters to promote action. Each of us has the power to donate something, regardless of our circumstances. Life is give and take. At some point each of us will be the taker and hopefully, the giver.
